

SPEAKERS RESOURCE GUIDE

This Speakers Resource Guide can help parish leadership educate their members about the services and the work of Catholic Charities. We strongly encourage you to invite a speaker to a parish council meeting or any other function that involves leadership in your community. In the past, speakers have been invited to coffee hours, after-Mass socials, pancake breakfasts, and parish school functions.

Those listed in this guide have extensive knowledge and experience with the Catholic Charities system. Their commitment stems from a strong desire to make the work of Catholic Charities in the Diocese of Cleveland more widely known.

Please take an opportunity to review this guide. You are encouraged to use this resource in conjunction with the promotional materials of this manual to facilitate a greater understanding of the Catholic Charities system of services in your parish community.

Speakers are available at any time throughout the year. To schedule a speaker, please contact Celeste Cappotto at 800-869-6525, ext. 1049, or e-mail ccappotto@dioceseofcleveland.org.
