Executive Education Certificate Program

A leadership development program created through a collaborative partnership between Catholic Charities Health & Human Services and John Carroll University.

This program, which is targeted for emerging leaders, is designed to strengthen the link between mission, values and leadership. Its goal is to develop current and future leaders to sustain and deepen commitment to mission and leadership competencies.

CATHOLIC SOCIAL TEACHING

*Reflecting the social mission of the Church
in healthcare and human services*

A Program of  Catholic Community Connection

- ☞ Teaches universal principles of social justice
- ☞ Presents practical ways to participate in the social mission of the Church.
- ☞ Outcomes include increased knowledge, understanding of Catholic social teaching principles; practical applications; personal and professional growth; and greater participation in the Catholic mission.

Abundant Life educates and supports staff in practical methods of care for the body, mind, and spirit. This program also accommodates research-based outcomes for health advocacy and policy making.

Noted change includes a greater understanding of the role of spirituality; improved communication skills; healthier relationships; improved care for self and others; and more adequate responses to families, coworkers, clients, and families.

Outreach of Catholic Community Connection

- ☞ ***for the sake of mission*** – to have a continuum of care and a more integrated delivery of care for those in need.
- ☞ ***for the sake of the good news*** - that Catholic social ministry is vibrant and extensive across the Diocese of Cleveland.
- ☞ ***for the sake of our brothers and sisters*** -who are suffering, in need, vulnerable, or sick and for the common good of our region.

Pope Benedict XVI wrote in Deus Caritas Est, his first encyclical, that ***social ministry is as vital for our faith and identity as Catholics as sacred scripture and the sacraments.***

It is a privilege to see first hand how the teaching, healing and caring ministry of Jesus is being carried out every day by dedicated leaders and professionals.

It is a great story of ***Christian love being put into action.*** Catholic Community Connection is proud to be part of it and will be working in the months and years ahead to help more Catholics learn more about all of these remarkable ministries.

Life and Dignity of the Human Person

Every human person is created in the image and likeness of God.

Call to Family, Community, and Participation

The human person is not only sacred, but also social.

Solidarity

We are one human family.

We are our brothers' and sisters' keepers, wherever they may be.

Dignity of Work

The economy
must serve
the people.

Work is more than a way to make a living.

It is a form of continuing participation in God's act of creation.

Rights and Responsibilities

Every person has a fundamental right to life.

Each person has a right to—faith,
family, shelter, food, employment,
education, health care and housing.

Option for the Poor and Vulnerable

Scripture teaches that God has a special concern for the poor and vulnerable.

Caring for God's Creation

The world that God created has been entrusted to us.
