#### **Overview**

The one-day Pre-Cana consists primarily of a series of talks on different aspects of married life, each given by a married couple and a priest. In the course of these talks the married couples will share their own experiences and thoughts on Masks, Communications, Morality, Sexuality, Sacramentality and Every Day Living. After each talk, there is a quiet time for each person to reflect on, and write about, what they have heard. Then each couple has the opportunity to dialogue privately about what they have written. More information on these topics will be given to each couple to take home at the end of the day.

There will be morning and afternoon breaks and a catered lunch. The day ends with the celebration of the Mass and a Blessing of the Engaged Couples at 5:00pm in our church, followed by a brief time to award the Certificates of Completion. The day will end at approximately 6:00pm.
