Every couple starts off their relationship committed to making it work. Many couples, however, do not know HOW to accomplish a healthy and fulfilling marriage. **The Prevention and Relationship Enhancement Program (PREP)** offers a fresh, straightforward approach to learning the strategies and skills needed to prevent destructive conflict, build a rewarding marriage and nurture a lasting love. PREP is an effective, research-based approach to teach couples – whether they are married for three months or thirty years, how to communicate effectively; resolve conflict constructively; forgive each other; create fun, friendship and intimacy; and enhance and maintain commitment. PREP is not therapy. PREP does provide the tools to achieve a satisfying, successful marriage. This workshop is for couples who want to make a good relationship greater and for those who need to rebuild a relationship that is in need of repair. For more information, please call 216-334-2978. **THIS WORKSHOP WILL FULFILL THE PRE CANA REQUIREMENT.**
