Dear Pro-life Friend,

I am honored to announce that Father Michael Denk, Parochial Vicar, will present "LESSONS FROM RWANDA FOR AMERICA'S ABORTION HOLOCAUST." This powerful presentation takes place in St. Barnabas Church, 9451 Brandywine Road, Northfield, Ohio on Friday, September 10 at 7 p.m.

Father Michael combines his love for the helpless unborn with his devotion to the poor of Africa in his missionary work. He offers hope and healing and more direction for us all.

Join us and bring someone who has been curious about the pro-life message. All are welcome.

Though this is a personal message, please forward this to anyone on your email list, as the Spirit moves you!
