

Sit Vigil with Hospice Patients

VOLUNTEERS NEEDED

Holy Family Hospice invites you to join our hospice care team as a Vigil Sitting volunteer. Vigil Sitters provide bedside companionship, respite for family members or sitting with those who have no one to be with them during their final hours of life. Vigil sitting takes place in a person's private home or in long-term care facilities.

Vigil sitting training is provided. We offer a flexible schedule and a variety of locations available for convenient access to patients from your home.
