

PRAYERS FOR LIFE

We pray that all hearts might come to know God's saving power through reconciliation, so that those accused might seek forgiveness in their time of incarceration. We pray to the Lord

That laws (especially in the state of Ohio) might be changed so that society will never legally kill another person again. We pray to the Lord

For scientists, ethicists and moral theologians that they might continue to work together towards cures for diseases that will not cause one person, born or unborn, to die so that another person might be cured. We pray to the Lord

That morally sound uses of stem cells might bring relief to suffering people and no embryos will be destroyed in the name of cure. We pray to the Lord

May all hearts be converted so that each child created in the image and likeness of God is born into a world with welcome and support. We pray to the Lord

May abortion, because of inconvenience, hardship of the family, embarrassment or any other reason, cease to exist. We pray to the Lord . . .

We pray for all those who suffer the horrible consequences of famine, disease, unemployment, lack of housing, and a general lack of human dignity that are an outgrowth of poverty. We pray to the Lord

For all those who suffer from the pandemic of HIV/AIDS. We pray to the Lord

For those who work for the care of those suffering from AIDS, for children growing up without parents, and for all those who are working towards finding a cure for the virus. We pray to the Lord

We pray that people and nations might make choices in their daily lives and plans for the future that will ensure a healthy environment for all people posing no threat to those most vulnerable: the poor, the elderly, pregnant women and children. We pray to the Lord

We pray for all those who will die today and those in their care. We pray to the Lord

May people, institutions and legislation all work towards the care and comfort of those who are sick without invoking any procedures that would needlessly hasten death leading to euthanasia. We pray to the Lord

We pray in gratitude for the many people with disabilities who have fill our world and our lives with great love and encouraged us to be better Christians. May all children of God be honored as such and never be considered a burden or hardship to families and society. We pray to the Lord

May we ensure that all special needs of persons with disabilities, their families and their caregivers be met by those who are able to provide. We pray to the Lord

We pray for all those persons who are victims of human trafficking forcing them into dangerous working situations, prostitution, drug trade and extreme violence. We pray to the Lord

May all those who perpetrate the trafficking of people come to understand the dignity of each person and leave all ill treatment behind. We pray to the Lord

We pray for our brothers and sisters who suffer persecution and death due only to their heritage and geographically location such as the refugees and innocent victims of violence in the Darfur region of the Sudan. We pray to the Lord

May the world recognize the need for help for these children of God in the Sudan without homes, without a homeland, without food, water and shelter and without a society committed to their inherit good. We pray to the Lord
