*“To all the members of the Church, the people of life and the people for life,
I make this most urgent appeal that together we may offer this world of
ours new signs of hope, and work to ensure that justice and solidarity
will increase and that a new culture of human life will be affirmed,
for building an authentic civilization of truth and love.”*

John Paul II

Come join us for an evening of prayer and discussion of Catholic Teaching regarding the dignity of the person and respect for life. Peggy Gerovac, the Director of Pro Life for the Diocese of Cleveland, will lead the discussion with real life situations and a brief video that celebrates life. She will focus on the United States Conference of Catholic Bishops statements, current issues of human dignity violations in our world, and how we can expand our own celebration of life.
