

Take Action on Ohio's September Scheduled Execution **(from the Summit County Catholic Commission)**

Kevin Keith is a man who represents the most compelling reason for Ohio to get serious about addressing its broken death penalty system - the looming execution of an innocent man. The petition for Kevin Keith - who is scheduled to be executed in September - is up online. To read more about the case or to sign the online petition, visit: www.kevinkeith.org. The attorneys and media team would like people if possible to sign the online petition rather than a hard copy petition, but if you know of folks who may not have email access, please contact Adrian Griffin of Ohioans to Stop Executions at otse.neohio@gmail.com or 216-688-1180 for a hard copy petition. Also, if you would like to put an announcement in your church bulletin or in a newsletter to any groups that you are part of, Adrian has a pre-drafted announcement that also includes the petition link.

CBS Segment on Death Penalty

CBS Sunday Morning featured a segment on the death penalty on June 13, 2010. In the piece, Dick Dieter, a native Ohioan and Executive Director of the Death Penalty Information Center (DPIC) touches on some of the well known flaws with our capital punishment system. Catholic Conference of Ohio

The Bishops of Ohio have signed a letter as religious leaders in our state in support of a stay of execution and a further review of Kevin Keith's case related to information that could prove him innocent of the crime.
