RE: **PLAY-OFF QUALIFICATION PROCESS**

It is hard to believe we are approaching play-off time. Hopefully, the weather will allow everyone to enjoy the rest of the season and play the remainder of their games. Seeding for the Tournament will be determined according to the following criteria:

1. Teams must have recorded a win/loss for at least 5 games to be eligible for the tournament.
2. Winning percentage (minimum of 5 games)
3. If winning percentage results in a tie, the team that has won the most games will be seeded higher.
4. If the teams are still tied, the tie will be broken by head to head competition.
5. If the teams are still tied, the tie will be broken by each team's record vs. all common opponents.
6. If the teams are still tied, the tie will be broken by a coin flip.
7. Home team will be higher seed in the tournament bracket; and if both teams in the tournament are equal seeds a coin flip will determine home team.

All uniforms must be in compliance with CYO rules. The uniform rules will be strictly enforced. If you have any questions, please call your Commissioners of Baseball or Softball. Thanks and good luck!
